References to Chapters, Sections and Subsections in this Annex indicate the respective Chapters, Sections and Subsections of the General Conditions of the Auction Notice.

1. Chapter I – Initial Provisions

Section II - Object

1.1. The objective of this Auction is leasing of public areas, infrastructures and port facilities located in the Port of Vila do Conde (Pará), for purposes of performance of the Activities.

1.1.1. The total area of the Vila do Conde Lease – identification code VDC29 – encompasses approximately 56,850 m² (fifty six thousand, eight hundred and fifty square meters), composed of land areas in which the equipment and edifications to be utilized in unloading (unloading, internal movement, storage and dispatch) and loading operations (reception, storage, internal movement and loading) of dry bulk grain have already been or will be implemented according to the rules set down in the Contract and its Annexes.

1.2. The complete description of the port areas, infrastructures and facilities can be found in the respective Annexes to the Draft of the Lease Contract, in the Auction Notice Annexes.

1.3. The Activities to be performed by the Lessee consist of movement and storage of dry bulk grain, according to the terms and conditions stated in the Contract and its Annexes.

Section V – Technical Visits

1.4. The Technical Visits shall be scheduled with the Gerência de Segurança Orgânica do Porto de Vila do Conde from Companhia Docas do Pará – CDP, established at Rodovia PA-481, Km 2.3, Barcarena/PA, and submitted at: visita.vdc29@cdp.com.br, according to the a standard form.

2. Chapter IV – Documentation

Section III – Proposal Guarantee

2.1. The Proposal Guarantee should be provided in the amount R\$ 17,418,264.54 (seventeen million, four hundred and eighteen thousand, two hundred and sixty four reais and fifty four centavos).

Section IV – Lease Proposal

2.2. The Proponent should submit its Proposal for the Lease site according to the model in Appendix 1.

2.3. The Lease Proposal will consist of the largest Bid Value to be paid to Union.

2.4. In its Lease Proposal, the Proponent should indicate the Bid Value in reais to be paid to Union expressed with a maximum of 2 (two) decimal points. Submission of amounts of less than R\$ 1,00 (one real) is prohibited.

3. Chapter V – Auction Stages

Section III - Public Auction Session

3.1. The Public Auction of the Lease Site governed by this Notice will occur through a Public Tender Session, encompassing opening of the Proposals, classification of the Proponents and, should the case arise, an open-outcry Auction.

3.2. The Auction judgment criterion is the largest Bid Value to be paid to Union for the assign with consideration of the Lease Area, such amount being presented in reais with a maximum of up to 2 (two) decimal points.

3.3. Once the Proposals have been opened, they will be organized according to the criterion of largest Bid Value.

3.4. The classified Proponents will be those whose Proposals comply with the totality of the demands defined in applicable legislation and that have submitted to the conditions and terms foreseen in the General Conditions and in these Specific Auction Conditions.

3.5. If a proposal is received for the Lease Site from only one classified Proponent, that proponent will be considered the winner of the Lease site.

3.6. If the Lease site receives 2 (two) or more proposals, an open-outcry Auction will be held.

3.7. The classified Proponents whose bids have complied with at least one of the following conditions will participate in the open-outcry Auction:

3.7.1. The participant must be classified among the 03 (three) largest bids for the Lease site;

3.7.2. The value of the bid must be equal to or greater than 90% (ninety percent) of the Bid Value offered by the Proponent whose Proposal corresponds to the largest bid for the Lease site.

3.8. Only those Proponents whose bids have satisfied the terms of item 3.7. may present bids in the open-outcry auction.

3.9. Each bid should surpass the amount of the bid put forward by that Proponent for that Lease site, considering that the bid:

3.9.1. should respect the minimum interval between bids, which will be defined by the Director of the Public Auction Session;

3.9.2. should respect the maximum time between bids defined by the Director of the Public Auction Session;

3.9.3. should alter the classification of the Proponent; and

-
- 3.9.4. cannot be an amount that is identical to the bid of another Proponent.
- 3.10. The Director of the Public Auction Session will declare the Auction adjourned when the time period allowed for new bids has expired and no Proponent has made a new bid that meets the conditions determined in item 3.9.
- 3.10.1. Once the Auction has ended, the Proponent who has submitted the largest Bid Value to be paid to the Port Administration for the assign with consideration of the Lease site will be declared the winner of the Lease site.
- 3.11. Immediately following closing of the Auction, the Proponent declared winner of the Lease site should ratify its Proposal through presentation of a letter, in the terms of the model in Appendix 2, stating the winning bid.
- 3.12. In the case of a tie between Proposals for the same Lease site, the tie will be broken by means of a drawing to take place in the same Public Session.

4. Chapter VI – Lease Contract

Section I – Obligations Prior to Formalization of the Contract

- 4.1. Convocation of the Winning Bidder for signing of the Contract will be preceded by a formal manifestation on the part of the appropriate environmental entity for the purpose of determining the environmental licensing of the Lease site, according to the terms of article 14, item III of Law no. 12,815/2013.
- 4.2. Corroboration of payment to BM&FBOVESPA of its remuneration in the amount of R\$ 271.294,67 for each Winning Bidder must be submitted.
- 4.3. Corroboration of payment of the Bid Value to the Union must be submitted.

4.4. Based on the orientation to be issued by ANTAQ, corroboration of payment to the company charged with performing the studies underlying this Notice must be presented, as authorized by article 21 of Federal Law no. 8987/95, SEP/PR Directive no. 38/or 2013 and the General Conditions of the Notice, in the amount of R\$ 310.251,02.
